# Welcome to Anglo-Continental

Anglo-Continental is one of the world's leading English language teaching organisations with an enviable reputation built over seventy years. We are accredited by The British Council which means our programmes are strictly regulated and our standards are guaranteed. Although one of the largest schools in the UK, we are still a family run organisation and pride ourselves on our friendly personal service and efficient administration.

Anglo-Continental has been providing specialised English language training to aviation organisations worldwide since 1971. Since the introduction of the ICAO language proficiency requirements, we have also developed a range of courses specifically designed to assist aviation organisations and individuals in achieving the mandatory ICAO Level 4 (Operational).

## Our Trainers

We are an approved Cambridge Teacher Training and TKT Examination Centre. All our long-term trainers have the DELTA or an equivalent diploma. In addition, trainers have specialised knowledge and experience in aviation operations.

## Location: Bournemouth, South Coast of England

Anglo-Continental is located in Bournemouth, a lively university town. Bournemouth is a prestigious business centre and several multi-national companies have their regional or United Kingdom headquarters in the town. London Heathrow Airport and London Gatwick Airport are only 2 - 2½ hours away with frequent National Express Coach and train services to Bournemouth. As a cosmopolitan town with no strong regional accent, Bournemouth is the ideal location to learn English in England.

Bournemouth has a mild climate and 12 kilometres of sandy beaches (awarded the prestigious Blue Flag for cleanliness), and it is well known for its beautiful parks, gardens and extensive leisure facilities.

# Introduction to ICAO

The International Civil Aviation Organisation (ICAO) grades English Language performance on a scale of 1 to 6:

**Level 1 Pre-Elementary**

**Level 4 Operational**

**Level 2 Elementary**

**Level 5 Extended**

**Level 3 Pre-Operational**

**Level 6 Expert**

In order to conform with ICAO language proficiency requirements, Pilots, Air Traffic Controllers and all others who use English in R/T communication on international routes must be at ICAO English Language Level 4 (Operational) or above. This must be confirmed by successful completion of a licensing authority approved test.

Those who are assessed at ICAO Level 4 or 5 must be re-tested at regular intervals. Those who fail may not be licensed to operate on international routes.

## ICAO Language Proficiency Requirements

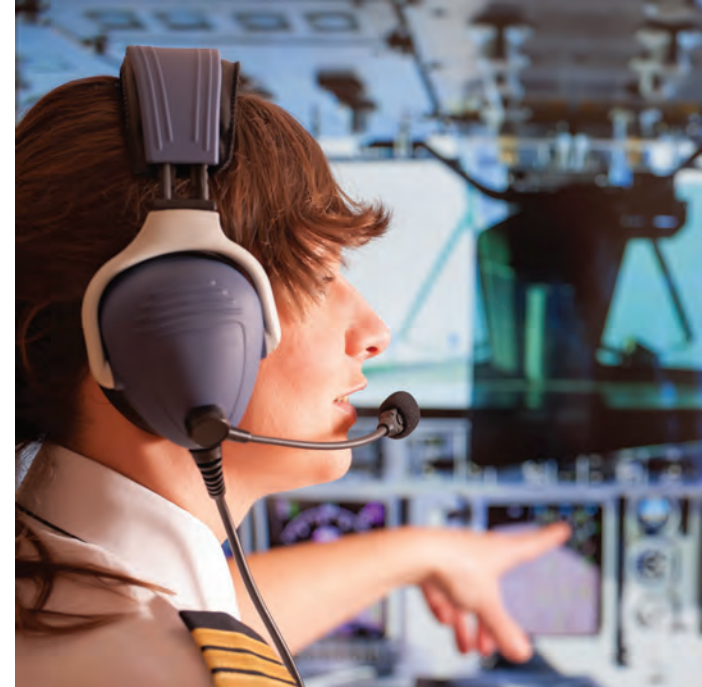

Appendix A (Annex 1) of ICAO Doc 9835, which sets out the language proficiency requirements, states that pilots, air traffic controllers and aeronautical station operators shall demonstrate the ability to speak and understand the language used for radiotelephony communications to the level specified in the Appendix. The six descriptors are:

- ◆ Pronunciation
- ◆ Structure
- ◆ Vocabulary
- ◆ Fluency
- ◆ Comprehension
- ◆ Interaction

The final score for each test-taker is not the average or aggregate of the ratings in each of the six ICAO language proficiency skills but the lowest of these six ratings.

# Test of English for Aviation Personnel (TEAP)

Anglo-Continental's Test of English for Aviation Personnel is widely used to assess the language competence of pilots and air traffic controllers in accordance with the ICAO Language Proficiency Rating Scale. Candidates awarded an ICAO assessment of level 4 or above can apply for their licence to be endorsed by the relevant authority.

The TEAP, in line with ICAO's directives, includes a listening and an oral component. It is designed to generate a sample of the candidate's language skills which enables us to rate the candidate's competence in all areas covered by the ICAO descriptors. It is conducted as an interview, and is divided into four parts:

#### **Part 1**

This consists of an interview including an introduction to the candidate's job and the context in which he/she works.

#### **Part 2**

After listening to a short recording of a non-standard incident, the candidate is required to give a detailed summary. They are then asked to talk about this type of incident in general terms.

#### **Part 3**

In this part, candidates are asked to listen to a maximum of three recordings, two based on radiotelephony and one in an informal style. Prior to each recording, the candidate is asked to listen for specific details. There is no visual contact between the interlocutor and the candidate during this section of the test.

#### **Part 4**

After listening to a long informal report of an incident in aviation, the candidate is required to give a detailed summary. A discussion regarding the more general issues raised by the report follows.

The test has a duration of approximately 30 minutes.

All TEAP interviews are recorded for security and moderating purposes and each candidate is assessed by at least two raters from our team of ten. A report is issued by our aviation specialists providing the candidate's ICAO level profile and the grade attained for each descriptor.

A certificate is awarded to candidates who achieve level 4 or above.

# Pilots and Air Traffic Controllers

Anglo-Continental's English for Pilots and Air Traffic Controllers Course is designed to help aviation professionals who need to meet the ICAO language proficiency requirements.

The course provides an ideal combination of general and specialised English tuition. This ensures that the trainees have the opportunity to improve their general English language skills, which is essential to support the development of the specialised aviation English required for ICAO language proficiency requirements.

## **General English**

The general English tuition adopts an integrated skills approach. The course concentrates on structure and usage, oral communication, vocabulary development and listening and reading comprehension. This provides the trainee with an opportunity to communicate and interact with other learners in a multi-lingual environment, as well as develop their language skills in preparation for the specialised component.

## **Specialised Aviation English**

The specialised aviation English component focuses on developing the trainee's communicative competence, with particular reference to the six ICAO language proficiency descriptors - pronunciation, structure, fluency, vocabulary, comprehension and interaction. Course participants will develop their listening skills with authentic recordings and practise using the functional language and vocabulary required in both standard and non-standard aviation situations.

The course is aimed at ICAO levels 4 and 5, and is focussed on improving the communication skills needed to achieve operational level and above.

## **Programme features**

- Oral assessment prior to enrolment
- Experienced aviation English trainers and aviation English specialists
- Special courses for groups can be offered in the UK or in-country

# ICAO Raters

This course is intended for teachers of aviation English and aviation professionals who are required to assess and rate the English language capabilities of pilots, air traffic controllers and other aviation professionals, according to the Language Proficiency Requirements of the International Civil Aviation Organisation (ICAO), as set out in ICAO Document 9835. The participants' level of English language should be advanced.

As an approved UK CAA language Assessment Body (LAB), we use our considerable experience in test development and language assessment to guide trainees through the course. The training concentrates on interpreting the language criteria of the ICAO Rating Scale and applying them by listening to and assessing sound files of various non-native speaker aviation professionals. It is suitable for trainees who have little or no experience in ICAO language assessment as well as raters seeking annual refresher training as set out in ICAO Document 9835.

Trainees with no experience of English language teaching should contact us at [aviation@anglo-continental.com](mailto:aviation@anglo-continental.com) for advice.

The following areas will normally be covered:

- Evaluating and comparing different test types (e.g. for ab-initio trainees or trained professionals, direct or semi-direct, including computerised tests)
- Identifying the criteria for ICAO levels in: Listening (general comprehension, interpretation and discrimination) Speaking (accuracy, intelligibility and communicative competence)
- Defining and evaluating appropriate levels of competence in communication skills, and the 6 criteria of the ICAO Rating Scale.
- Practical exercises in rating trainees' performance at various levels of the ICAO Rating Scale, with emphasis on Levels 3 - 5.

# Aviation English Teachers

In line with ICAO language proficiency requirements for Aviation Personnel to achieve level 4 or above, Anglo-Continental provides courses for trainers and trainees to help achieve the required level of English language proficiency for this essential qualification.

Our Teaching Methodology Course for Aviation English Teachers provides vital training for English language teachers by using the latest methodology for teaching Aviation English in the context of ICAO standards, along with personal aviation language development which results from working with experienced aviation English trainers.

The objective of the training is to develop the course participants' knowledge of Aviation English and English Language teaching skills within an aviation context, including a practical review of current methodology and classroom practice. Although an aviation background is an advantage, the course is designed to enable English language teachers who have little or no prior knowledge of aviation to teach Aviation English to Aviation Personnel. As all lessons have an aviation context, every part of the course contributes towards expanding the trainees' Aviation English knowledge.

## **Pre-Course Tasks**

The TAE pre-course tasks aim to provide an appropriate foundation for course participants.

## **Course planning**

There will be an initial group needs analysis at the beginning of each course. Sessions will be planned accordingly, also taking into account participants' methodological awareness and aviation background.

All enrolments are subject to these conditions, which become legally binding on confirmation of acceptance by Anglo-Continental, and to the age limitations and arrangements specified in Anglo-Continental's official publications.

The enrolled trainee intends and is able to follow and complete the course of study at Anglo-Continental and declares that he/she shall abide by all current UK laws and leave the United Kingdom at the end of his/her studies.

Anglo-Continental reserves the right to withhold confirmation of an enrolment, at its discretion, if such action is deemed necessary in the interests of the student or the school or if an incorrect declaration has been made.

## Fees

The fees for courses and accommodation are valid from 1 January to 31 December each year. The fees for the following year are normally published in July/August.

The fees must be received in full by Anglo-Continental no later than four weeks before course commencement, otherwise Anglo-Continental reserves the right to cancel, without notice, the course, accommodation and all other services. Course fees are calculated in complete weeks, and any part of a week is counted as a full week.

No compensation, fee reductions, refunds, credit, additional lessons or extension of the course can be given for:

- services or facilities included in the fees and not used;
- late entry to or absence or early departure from a course without formal curtailment;
- lessons replaced by testing, class allocation procedures or the sightseeing tour on course entry dates;
- days when schools are closed because of official holidays;
- cashless cards.

Any refunds which are approved can only be made by the office or Agent to whom the fees were originally paid. Anglo-Continental reserves the right to make fee adjustments as a result of changes to statutory taxes without prior notice.

If you require a visa, **it is your responsibility to ensure that you apply for the correct type of visa** to allow you to study at Anglo-Continental for the entire period of your course(s). You must ensure that all details on your confirmation documents issued by Anglo-Continental are correct before you apply for your visa. Anglo-Continental cannot be held liable for any errors that occur during the visa application process. It is also your responsibility to continue to maintain the correct immigration status to study at Anglo-Continental for the duration of your course(s). Failure to do so may lead to termination of your studies without refund or compensation.

## School regulations

Anglo-Continental publishes regulations to ensure that the courses operate smoothly. Acceptance of and compliance with these regulations, and with English law, are contractual obligations on the part of the trainee or the parent, guardian or other person arranging the student's enrolment with Anglo-Continental where the student is under 18. The school regulations are available online: [www.anglo-continental.com/schoolregs.html](http://www.anglo-continental.com/schoolregs.html)

## Cancellation or change of time of a test

Notice of cancellation or change of time of a test must be received in writing by the school at least 5 working days prior to the scheduled test date. If such notice is not received within the stated period then the full charge remains due.

## 14 day cooling off period

The student may cancel an enrolment submitted online within 14 days from the date of submission. We will fully refund the payment of course fees less any bank charges provided that written notice of cancellation is received by Anglo-Continental within 14 days of making the enrolment.

## Cancellation, postponement or withdrawal from a course

A course is not transferable but may be cancelled and your payment of course fees will be refunded (except bank charges and non-refundable deposit), provided that written notice of cancellation, postponement or withdrawal is received by Anglo-Continental not less than four weeks before the scheduled date of course commencement. In the absence of such notice, or if less than four weeks' notice is received no refund of fees can be made.

No refunds can be given in the event of withdrawal from the course after its commencement, or for late arrival, early departure, or failure to make use of any of the facilities or activities of the course. In the absence of such notice, or if less than four weeks' notice is received:

- in the case of cancellation, a fee of £ 500 is payable in lieu of notice;
- in the case of postponement, Anglo-Continental reserves the right to levy a charge to cover administration and accommodation costs incurred on the student's behalf;
- should the application for a visa be refused, we will refund any published fees paid in advance (after deduction of an administration charge of £ 100) provided that you send us a copy of the letter of refusal before the intended start date of the course.

Any additional charges for services provided by a third party (such as hotel accommodation, flat rental and courier services) are not refundable.

## Curtailement of a course

### (Excluding courses with reduced fees)

If a course of more than eight weeks' duration is curtailed by the student, four weeks' notice must be given to the school. If no notice or insufficient notice is given, course fees must be paid in lieu of notice together with any accommodation charges due. In all cases, course fees must be paid for a minimum of eight weeks.

If a course of eight weeks' duration or less is curtailed, no refund of course fees can be given. Students must have personal insurance against inability to attend or continue a course for medical or compassionate reasons (see 'liability and insurance').

## Change of course

### (Excluding courses with reduced fees)

If, after commencement of a course, the student wishes to change to a course of a lower specification, two weeks' notice must be given to the school. If approved, the change must be made on a scheduled entry date for the new course.

Any refund due will be in the form of a credit towards any required extension of the amended course or towards any subsequent course with Anglo-Continental

during the twelve months following the end of the amended course. The credit is not transferable to any other person and no cash refund can be given.

## Incorrect declaration

Anglo-Continental reserves the right to withdraw a student from the course if an incorrect declaration has been made or if information regarding a student's ability to participate in the course has not fully, or partially, been disclosed to us before course commencement. In this case, no refund can be made.

## English language level

Any information about your level received prior to your arrival will act as a guide only. Your English language level will be determined by our entry test on your first day. If you are not at the required level for your course, you will be transferred to a suitable alternative course.

## Accommodation

The fee for the first week in homestay accommodation includes a non-refundable administration charge to cover the cost of selection, reservation and administration.

Any request to change or leave accommodation, either separately or in conjunction with the curtailment of a course, must be made to Anglo-Continental at least two weeks before the date of the proposed move and approved before the change is made. Failing this, accommodation fees are payable in lieu of notice. An administrative charge of £70 will be made for each request to change homestay family accommodation. Accommodation fees continue to be payable for any periods of absence during the course.
