

<b>S</b>	<b>English for Medical Practice</b>	<b>S-5.30</b>
----------	-------------------------------------	---------------

<b>Entry Dates 2010</b>			<b>Duration: 2 to 4 weeks</b>				
January	4, 18	April	12, 26	July	5, 19	October	11, 25
February	1, 15	May	10, 24	August	2, 16, 31	November	8, 22*
March	1, 15, 29	June	7, 21	September	13, 27	December	-

For groups, other dates can be arranged on request.

\* 2 weeks only

**30 lessons per week**

including:

**20 lessons** of structured English language tuition and practice in Intensive Course G-1.20\*

**10 lessons** in English for Medical Practice

**This course is designed for:**

- doctors and surgeons
- medical, surgical and nursing staff
- administrative, clerical and managerial staff in medical fields
- first aid and welfare staff
- students of medicine, surgery, nursing and related fields

**The 10 specialised lessons cover the essential language used in areas such as:**

- day-to-day communication in medical practice
- the body, disease and injury
- drugs and medicines
- consultation with patients and medical staff
- examination, diagnosis, prescription and treatment
- medical books and publications
- oral communication with patients and colleagues

**Additional study:**

Homework (written assignments, preparation and revision) is an integral part of the course. We also recommend that some time should be devoted to additional study in the Multi-Media Learning Centre. An extensive selection of computer programs, listening materials, CD Roms, films and reference material is available for private use, including free access to the Internet. Wireless Internet Access is also available on campus.

\* Course participants may elect to take their 20 lessons of general English language tuition in the Executive Centre (Course S-5.30E) with an average of 2 students (maximum 4) at extra cost. Full details are in the 2010 Prospectus on page 24.
