Our School

Our School, with more than 55 years of successful experience in teaching English, is ideally situated in Bournemouth on England's south coast. It is an area rich in history and outstanding natural beauty - perfect for recreation, sightseeing, visits and excursions both within and outside the scheduled programme.

Your Leisure Time

The town itself is one of Britain's most attractive seaside resorts, with extensive parks and gardens, modern shops, cinemas, theatres and restaurants. You can walk on seven miles of clean, sandy beach; visit the Quay and the fascinating "old town" of Poole; or enjoy the spectacular countryside, including Europe's largest natural harbour, the Purbeck Hills and the famous Dorset coastal path. And London is less than two hours away ...

And the timing is perfect. We arrange our Over 50's Courses in the late spring and early autumn, when the climate is mild and the countryside is at its best - made to measure for a refreshing and enjoyable visit to England.

Welcome to Anglo-Continental!

Our Club 50+ Programme is a great favourite with our mature students because it offers so much more than conventional courses or holiday travel;

- the opportunity to refresh your skills in English, the world's first language for social and business communication
- the chance to learn more about the life, customs and culture of Britain and the English-speaking world
- a wide spectrum of educational, leisure and recreational activities to add interest and variety - with free time for shopping and for your own special interests
- a warm, friendly atmosphere in which you can study and relax with your new friends from Britain and other countries

... and all this in the knowledge that your programme is arranged by an accredited educational organisation of international repute.

Whatever your age, and whatever your level of English, you need have no fears that the programme will be too academic or too demanding. Our friendly, helpful staff will do all they can to make sure that you achieve your objectives and enjoy your stay.
