* 2 weeks only

30 lessons per week

including:

20 lessons of structured English language tuition and practice in Intensive Course G-1.20

10 lessons in English for Medical Professionals

This course is designed for:

- doctors and surgeons
- medical, surgical and nursing staff

The 10 specialised lessons cover the essential language used in areas such as:

- Communication with patients and medical staff
- Explaining medical procedures
- Conducting medical examinations
- Taking histories and writing reports
- The hospital environment
- Care of medical and surgical patients
- Working within specialties
- Authentic medical films
- Medication – side effects, dosages and contra-indications
- Using medical documents

Additional study:

Homework (written assignments, preparation and revision) is an integral part of the course. We also recommend that some time should be devoted to additional study in the Multi-Media Learning Centre.
