Welcome to Anglo-Continental

Anglo-Continental is one of the world’s leading English language teaching organisations with an enviable reputation built over sixty eight years. We are accredited by The British Council and a member of English UK, which means our programmes are strictly regulated and our standards are guaranteed. Anglo-Continental is also regularly inspected by the Independent Schools Inspectorate (ISI). Although one of the largest schools in the UK, we are still a family run organisation and pride ourselves on our friendly personal service and efficient administration.

Anglo-Continental has been providing specialised English language training to aviation organisations worldwide since 1971. Since the introduction of the ICAO language proficiency requirements, we have also developed a range of courses specifically designed to assist aviation organisations and individuals in achieving the mandatory ICAO Level 4 (Operational).

Our Trainers

We are an approved Cambridge Teacher Training and TKT Examination Centre. All our long-term trainers have the CELTA qualification or Trinity Certificate in TESOL, and many have the DELTA or an equivalent diploma. In addition, most trainers have specialised knowledge and experience in aviation.

Location: Bournemouth, South Coast of England

Anglo-Continental is located in Bournemouth, a lively university town. Bournemouth is a prestigious business centre and several multi-national companies have their regional or United Kingdom headquarters in the town. London Heathrow Airport and London Gatwick Airport are only 2 - 2½ hours away with frequent National Express Coach and train services to Bournemouth. As a cosmopolitan town with no strong regional accent, Bournemouth is the ideal location to learn English in England.

Bournemouth has a mild climate and 12 kilometres of sandy beaches (awarded the prestigious Blue Flag for cleanliness), and it is well known for its beautiful parks, gardens and extensive leisure facilities.

The International Civil Aviation Organisation (ICAO) grades English Language performance on a scale of 1 to 6:

- **Level 1 Pre-Elementary**
- **Level 2 Elementary**
- **Level 3 Pre-Operational**
- **Level 4 Operational**
- **Level 5 Extended**
- **Level 6 Expert**

In order to conform with ICAO language proficiency requirements, Pilots, Air Traffic Controllers and all others who use English in R/T communication on international routes must be at ICAO English Language Level 4 (Operational) or above. This must be confirmed by successful completion of an airline industry approved test.

Those who are assessed at ICAO Level 4 or 5 must be re-tested at regular intervals. Those who fail may not be licensed to operate on international routes.

**ICAO Language Proficiency Requirements**

Appendix A (Annex 1) of ICAO Doc 9835, which sets out the language proficiency requirements, states that pilots, air traffic controllers and aeronautical station operators shall demonstrate the ability to speak and understand the language used for radiotelephony communications to the level specified in the Appendix. The six descriptors are:

- Pronunciation
- Structure
- Vocabulary
- Fluency
- Comprehension
- Interaction

All six descriptors must be met at any given level for a candidate to be rated as having attained that level.
Anglo-Continental’s Test of English for Aviation Personnel is widely used to assess the language competence of pilots and air traffic controllers in accordance with the ICAO Language Proficiency Rating Scale. Candidates awarded an ICAO assessment of level 4 or above can apply for their licence to be endorsed by the relevant authority.

The TEAP, in line with ICAO’s directives, includes a listening and an oral component. It is designed to generate a sample of the candidate’s language skills which enables us to rate the candidate’s competence in all areas covered by the ICAO descriptors. It is conducted as an interview, and is divided into four parts:

**Part 1**
This consists of an interview including an introduction to the candidate’s job and the context in which he/she works.

**Part 2**
After listening to a short recording of a non-standard incident, the candidate is required to summarise it. He/she is then asked to talk about this type of incident in general terms.

**Part 3**
In this part, candidates are asked to report and comment after listening to up to three recordings - two based on radiotelephony and one in an informal style. Prior to each recording, the candidate is asked to listen for specific details. There is no visual contact between the interlocutor and the candidate during this section of the test.

**Part 4**
After listening to a long informal report of an incident in aviation, the candidate is required to give a detailed summary. A discussion regarding the more general issues raised by the report follows.

The test has a duration of approximately 30 minutes.

All TEAP interviews are recorded for security and moderating purposes and each candidate is assessed by at least two raters. A report is issued by our aviation specialists providing the candidate’s ICAO level profile and the grade attained for each descriptor. A certificate is awarded to candidates who achieve level 4 or above.

**Test Fees 2018**
Test fee per candidate: £ 132

**Flexible Dates**
Please contact us to book the test at a time convenient to you.

Anglo-Continental’s ICAO 291 course is designed to assist aviation professionals who are concerned with meeting the ICAO language proficiency requirements. The course provides an ideal combination of general and specialised English tuition. This ensures that the trainees have the opportunity to improve their general English language skills, which is essential to support the development of the specialised aviation English required for ICAO language proficiency requirements.

**General English**
The general English tuition adopts an integrated skills approach. The course concentrates on structure and usage, oral communication, vocabulary development and listening and reading comprehension. This provides the trainee with an opportunity to communicate and interact with other learners in a multi-lingual environment, as well as develop their language skills in preparation for the specialised component. Options of either 20 or 25 lessons per week are available.

**Specialised Aviation English**
The specialised aviation English component focuses on developing the trainee’s communicative competence, with particular reference to the six ICAO language proficiency descriptors – pronunciation, structure, fluency, vocabulary, comprehension and interaction. Course participants will develop their listening skills with authentic recordings and practise using the functional language and vocabulary required in both standard and non-standard aviation situations. The course is aimed at ICAO Levels 4 and 5, and is focused on the specialised area of language development with 15 lessons per week.

**Programme features**
- Oral assessment prior to enrolment
- Aviation English lessons conducted by teacher qualified subject matter experts
- Special courses for groups can be offered in the UK or in-country
### Minimum entry levels

**Notes**
- ICAO Level 3, Pre-Operational, covers a wide range of ability in terms of language competence. The Anglo-Continental levels of English included (Intermediate to Upper Intermediate) refer to a trainee’s overall language competence.
- Any trainee whose English is found to be below the level specified for the course, will automatically be transferred to a General Intensive Course (Course G-1.30). The sponsors will be informed immediately in order that a revised study plan may be agreed.
- Trainees at ICAO Level 2 should contact us for course details.
This course is intended for teachers of aviation English and aviation professionals who are required to assess and rate the English language capabilities of pilots, air traffic controllers and other aviation professionals, according to the Language Proficiency Requirements of the International Civil Aviation Organisation (ICAO), as set out in ICAO Document 9835. The participants’ level of English language should be advanced.

As an approved UK CAA language Assessment Body (LAB), we use our considerable experience in test development and language assessment to guide trainees through the course. The training concentrates on interpreting the language criteria of the ICAO Rating Scale and applying them by listening to and assessing sound files of various non-native speaker aviation professionals. It is suitable for trainees who have little or no experience in ICAO language assessment as well as raters seeking annual refresher training as set out in ICAO Document 9835.

Trainees with no experience of English language teaching should contact us at aviation@anglo-continental.com for advice.

Feedback from candidates on the course

“IT’s my fourth time in five years at Anglo-Continental and I’ve always observed noticeable improvement in the course content. The most impressive fact about the improvement is the ability to keep the focus of the content material consistent yet improve on the delivery and presentation. Thumbs up to the team involved in the course content preparation, arrangement and presentation.”

Daniel, Nigeria

“This course was very useful for me. I refreshed my knowledge in assessment of pilots and ATC controllers according to ICAO standards and got a lot of new materials.”

Valentina, Azerbaijan

Programme features

- Detailed study of ICAO language proficiency requirements criteria
- Assessment/rating practice, both as part of a group and individually, using sound files of authentic aviation professionals
- Pre-course tasks
- Also available in-country on request
- Suitable for initial and recurrent rater training

Cancellation or postponement of a course
A course is not transferable but may be cancelled or postponed and full course fees will be refunded (except for bank charges), provided that written notice is received by Anglo-Continental not less than four weeks before the scheduled date of course commencement. In the absence of such notice, or if less than four weeks’ notice is received:
- in the case of cancellation, a fee of £ 500 is payable in lieu of notice;
- in the case of postponement, Anglo-Continental reserves the right to levy a charge to cover administration and accommodation costs incurred on the trainee’s behalf;
- should the application for a visa be refused, we will refund any published fees paid in advance (after deduction of an administration charge of £ 100) provided that you send us a copy of the letter of refusal before the intended start date of the course.

Any additional charges for services provided by a third party (such as Home Office CAS charges, hotel accommodation, flat rental and courier services) are not refundable.

Curtailment of a course
If a course of more than eight weeks’ duration is curtailed by the trainee, four weeks’ notice must be given to the school. If no notice or insufficient notice is given, course fees must be paid in lieu of notice together with any accommodation charges due. In all cases, course fees must be paid for a minimum of eight weeks.

If a course of eight weeks’ duration or less is curtailed, no refund of course fees can be given. Trainees must have personal insurance against inability to attend or continue a course for medical or compassionate reasons (see ‘liability and insurance’).

Change of course
If after commencement of a course, the trainee wishes to change to a course of a lower specification, ‘two weeks’ notice must be given to the school. If approved, the change must be made on a scheduled entry date for the new course.

Any refund due will be in the form of a credit towards any required extension of the amended course or towards any subsequent course with Anglo-Continental during the twelve months following the end of the amended course. The credit is not transferable to any other person, and no cash refund can be given.

Incorrect declaration
Anglo-Continental reserves the right to withdraw a trainee from the course if an incorrect declaration has been made or if information regarding a trainee’s ability to participate in the course has not been disclosed to us before course commencement. In this case, no refund can be made.

English language level
Any information about your level received prior to your arrival will act as a guide only. Your English language level will be determined by our entry test on your first day. If you are not at the required level for your course, you will be transferred to a suitable alternative course.

Accommodation
The fee for the first week in homestay accommodation includes a non-refundable administration charge to cover the cost of selection, reservation and administration.

Any request to change or leave accommodation, either separately or in conjunction with the curtailment of a course, must be made to Anglo-Continental at least two weeks before the date of the proposed move and approved before the change is made. Failing this, accommodation fees are payable in lieu of notice. Accommodation fees continue to be payable for any periods of absence during the course.

Photography, film, sound recordings and written work
During our courses we sometimes take photographs, film footage and sound recordings, some of which may be incorporated into items such as, but not limited to, future publicity material, social media sites, tests and educational materials. We may also wish to use examples of your written work. If you do not wish to participate in any of these items please advise Anglo-Continental in writing before the start of the course, otherwise it is understood that you have unreservedly given your consent for these to be used.

Liability and insurance
Anglo-Continental will not be liable for any loss, damage, illness or injury to persons or property however caused, except where such liability is imposed by statute. Anglo-Continental will also not be held responsible for any delay in scheduled services of third party companies, or if any service cannot be provided as specified. Any complaints, liabilites, losses or damages arising should be submitted to the third party company concerned. It is the trainee’s responsibility to take out personal insurance against all such risks, including inability to attend or continue a course and for the payment of medical expenses.

Transfer fuel surcharge
If a transportation company levies a surcharge because of an increase in the price of fuel, the additional cost will be charged to you. Please check the website for the latest charges www.anglo-continental.com/more-info/transfer-services

Force majeure
It shall be a fundamental condition of the contract between the trainee and Anglo-Continental or its Agents that neither Anglo-Continental nor its Agents shall be in any way liable to the trainee in the event of any service contracted to be supplied by them becoming impossible to supply by reason of industrial dispute or other cause outside their control.

Data protection
To ensure that your course at Anglo-Continental meets your requirements we and, if appropriate, the Anglo-Continental Agent in your own country will need to use the information you provide (such as your personal data and details of any special requirements) in order to process your enrolment.

We must pass your information on to those involved in providing you with services relating to your stay at Anglo-Continental, such as your reservation of accommodation and transfer services. The information may also be provided, if required, to security or credit-checking organisations, customs and the Home Office as required by UK law.

Please note that where your information is held by an Anglo-Continental Agent, it will be subject to your Agent’s own data protection policy and their country’s national law.

Validity of conditions
These Conditions of enrolment are valid from 1 January 2018 and are subject to English law. The English language version is legally binding in all cases.

Anglo-Continental reserves the right to waive or adjust the specifications of a course, which may include age limits, without prior notification.
