Important Information

Registering with a Doctor

If you qualify for full National Health Service (NHS) treatment, you should register with your homestay family's doctor as soon as you arrive in the UK. It usually takes a few days for your application to be processed, so it is best not to leave it until you get ill. There may be a registration fee of approximately £50. The Student Services staff can prepare the relevant school letter for you. If you are from outside the EEA, and you plan to study for longer than 6 months then you may need to pay the Immigration Health Surcharge. For further details visit: <https://www.gov.uk/healthcare-immigration-application>. If your course lasts for less than 6 months you can still qualify for full NHS cover if the UK government is providing at least 35% of the funding for your course or if your country of residence has a reciprocal healthcare agreement with the UK. If you do not qualify for NHS treatment, you will have to pay for private treatment.

Emergency Medical Treatment through the British National Health Service (NHS)

We recommend that you arrange medical insurance cover for the period of your course before you arrive at the school.

Emergency out-patient treatment is normally provided, free of charge, by the NHS to students from countries which have reciprocal medical agreements with England.

Students from countries in the EU or Switzerland, should have a European Health Insurance Card (EHIC) or a UK Global Health Insurance Card (GHIC) in order to receive free Emergency medical treatment by the NHS.

Please note, the above information gives general guidance only and should not be treated as a complete and authoritative statement of law.

Our Accommodation team are here to help you with any queries you may have about your homestay accommodation.

It is very important that you keep us updated at all times with your current contact details.

- If, during your course of study with us, you change your private accommodation address, you must inform the school immediately of your new contact details.

Student Support

If a personal problem arises during your stay, our Student Support staff will help you, offering you a professional and completely confidential service.

Advice

- It is illegal to buy alcohol if you are under 18.
- Keep your money and other valuables with you at all times. Do not leave bags unattended.
- In England, cars drive on the left, so please be careful when crossing roads and remember to look both ways.
- If you cycle, remember to wear a helmet, use lights at night and do not cycle on the pavement unless there is a cycle path.
- Do not carry a lot of money around with you.
- Be careful when returning home late at night – take a taxi or go with a friend.
- If you are ill and under 18 years of age, let the school know you cannot come to class (01202 55 74 14).

Smoking/Vaping

England is Smoke Free, which means that it is against the law to smoke on public premises. No one is allowed to smoke in or near (within 3 metres) any building or in public vehicles. Vaping is also not allowed in the Anglo-Continental buildings.

When at school, please:

- Read the Emergency Notices on the notice-boards.
- Do not smoke anywhere in the building or within 3 metres of the buildings.
- Do not take food or drink into the classrooms.
- Do not play ball games in the school garden or car park.

Education

Ways to help you learn English

In the Classroom

- Only use English in the classroom, not your own language.
- Listen carefully to instructions and explanations - ask the teacher if you do not understand.
- Write down new words in a notebook, so that you can look at them later and practise using the important ones.
- Get an English-English dictionary and use it in class and at home; this is much better for learning English than a translation dictionary.
- Remember that you do not always have to understand every word in a reading or listening exercise.
- Work together with other students, and if another student has a problem try to help him/her (in English!).
- Listen when another student is speaking - try not to interrupt.
- Please show each other respect - everyone in the class is important.
- Enjoy your lessons - do not worry about making mistakes - it is a normal part of learning a language.

Education

Outside the Classroom

- Socialise in English - go out and enjoy yourself with other students, join the Social Activities Programme, speak with your host family.
- Do your homework regularly - the exercises in your workbook will help you to remember what you have done in class.
- Use the Multi Media Learning Centre to improve your English - you can ask your teacher for advice about what to do there (please note that the MMLC is not available to students on the Vacation Programme).
- Listen to the radio, watch television, use internet resources and read books and magazines.

Questions

If you have a question about your level or your progress, please speak to your **teacher**. If you have a question about your course or taking an examination, please speak to a **Course Coordinator**.

School Regulations

Anglo-Continental's programmes are designed to provide the best possible tuition and facilities for our students. It is important that you comply with the following rules so that we can maintain these standards.

Student Cards

On your first day, you will receive a Student Card, which you must sign. You should keep your Student Card with you at all times when you are on the school campus. You should not lend it or give it to anyone else. Students who do not have their Student Cards with them may not be allowed entry to lectures, the MMLC and other school activities. If you lose the card, you must buy a new one from Student Services.

Notice-boards

Please read all notices and information on the notice-boards in the classrooms and in the main corridors. You will find important information on them about educational programmes, lectures, examinations, excursions and other school activities.

Attendance and Punctuality

It is very important that you attend all of your classes. We keep a daily record of your attendance. If you do not attend your lessons regularly, you will not receive a Certificate of Studies. If you are under 18 and you are going to miss a lesson, please tell your teachers, a course coordinator or telephone the school. Your teacher may exclude you from lessons if you are late or if your behaviour in class is unacceptable. If applicable, we will need to inform the Home Office if you miss a number of classes.

Conduct

All students are subject to the authority of Anglo-Continental when on the school campus or taking part in any organised educational or recreational activity. A student who, in the opinion of the Academic Head(s), has a persistently bad record of attendance or who has been guilty of serious misconduct during the period of his/her course, whether on the school campus or outside, may be expelled immediately and without prior warning. If this happens, no tuition fees will be refunded. Any accommodation fees due will be refunded as specified in the Conditions of Enrolment.

Harassment and Bullying

Anglo-Continental regards any form of harassment or bullying as unacceptable. You have a right to be treated with dignity and respect. You have a personal and legal responsibility not to behave in a manner which could be offensive to others. If you have a problem of a personal nature, or feel that you may have been subjected to harassment or bullying, or discrimination in any other form, you must seek help or advice from one of the school's Student Support staff. Their names are displayed on the school notice-board.

Safeguarding – Care of Under-18s

We are committed to the safety and protection of all our students and to the promotion of a positive student experience. While you are here, you will be in classes with students from different cultures and some students will be under the age of 18. In England, we need to have very clear rules regarding acceptable and unacceptable behaviour between adult students and under-18 students. If you are under 18 and you are made to feel uncomfortable or at risk because of the behaviour of an older student, please speak to your teacher or a member of the Student Support Team as soon as possible. All students aged under 18 will have a meeting on their first day of school to explain these important guidelines and procedures.

Students over 18 should never allow inappropriate social interaction between themselves and younger students. Members of the Student Support Team are available to help older students understand these risks.

Anglo-Continental has a PREVENT (Protecting Children from Radicalisation) policy which is published on: www.anglocontinental.com

Safety Regulations

The safety of our students and staff is extremely important, and therefore everyone must observe the rules for

School Regulations

fire prevention and know what to do if there is a fire. Information about this can be found on all classroom and main notice-boards. Please read the school's Health and Safety Regulations, which are on the student notice-board. It is an offence to interfere with fire prevention equipment, such as fire extinguishers, smoke detectors and emergency exits, and any student guilty of such serious misconduct will be dealt with in accordance with the disciplinary procedure detailed in 'Conduct' on page 12.

Accidents

Please report any accidents immediately to Student Services or to the nearest member of staff so that first aid or medical attention can be provided without delay. Please note that staff qualified to give first aid assistance are not allowed to give medication of any kind. For non-emergencies, you should go to a pharmacy or to your homestay family's doctor.

Inside and Outside the School

Classrooms and lecture rooms may not be used for social activities and recreation. You may eat and drink only in the Student Centre or on the terrace. Lessons continue throughout the day, and we therefore ask you to be as quiet as possible in the corridors and grounds. Mobile phones must be turned off during lessons, excursions and activities. Skateboards, rollerblades, frisbees, ball games and similar activities are not permitted on the campus.

Smoking/Vaping

It is illegal in England for anyone under the age of 18 to purchase or smoke tobacco or vaping products. It is also against the law to smoke on public premises in England. Smoking and vaping is not permitted in or near to any of the school's buildings or in public vehicles.

At Anglo-Continental you can only smoke or vape on the lawns or the lower terrace outside the Student Centre.

Alcohol and drugs

Being in possession of illegal drugs, or misusing alcohol is strictly prohibited and will result in expulsion from the school with immediate effect.

Security

The campus is monitored by CCTV. The buildings and grounds are usually open between 08.00 and 18.00 hours Monday to Friday. Unless there are organised activities in progress, students are asked to leave the school campus by 18.00 hours.

Damage to Property

Any damage done to school property must be reported immediately to Student Services. Damage caused deliberately or by carelessness must be paid for by the person or persons responsible.

Cars, Motorbikes and Bicycles

You are not allowed to park a car in the school grounds at any time. Motorbikes and bicycles must be parked in the special areas provided behind buildings 33 and 35 Wimborne Road. Please ride them carefully in the grounds and do not exceed the 5 mph speed limit.

Liability and Responsibility

Anglo-Continental cannot accept any liability for loss, damage, illness or injury to persons or their property, including personal property or articles of clothing left in the school buildings. This also applies to any vehicle, motorbike or bicycle, including its fittings or contents, which is left on the school campus. We recommend that you take out personal insurance against all such risks, including cover for your personal belongings against theft, loss or damage. You should never, in any circumstances, leave money or valuables unattended in any part of the school premises.

These School Regulations must be read in conjunction with the Anglo-Continental 'Prospectus', together with the 'Conditions of Enrolment' and the 'Student Handbook for Adults'.

Conditions of enrolment 2026

All enrolments are subject to these conditions, which become legally binding on confirmation of acceptance by Anglo-Continental, and to the age limitations and arrangements specified in Anglo-Continental's official publications.

The enrolled student intends and is able to follow and complete the course of study at Anglo-Continental and declares that he/she shall abide by all current UK laws and leave the United Kingdom at the end of his/her studies.

Anglo-Continental reserves the right to withhold confirmation of an enrolment, at its discretion, if such action is deemed necessary in the interests of the student or the school or if an incorrect declaration has been made.

Fees

The fees for courses and accommodation are valid from 1 January to 31 December each year. The fees for the following year are normally published in July/August.

The fees must be received in full by Anglo-Continental no later than four weeks before course commencement, otherwise Anglo-Continental reserves the right to cancel, without notice, the course, accommodation and all other services. Course fees are calculated in complete weeks, and any part of a week is counted as a full week.

No compensation, fee reductions, refunds, credit, additional lessons or extension of the course can be given for:

- services or facilities included in the fees and not used;
- late entry to or absence or early departure from a course without formal curtailment;
- lessons replaced by testing, class allocation procedures or the sightseeing tour on course entry dates;
- days when schools are closed because of official holidays;
- cashless cards.

Any refunds which are approved can only be made by the office or Agent to whom the fees were originally paid. Anglo-Continental reserves the right to make fee adjustments as a result of changes to statutory taxes without prior notice.

Visas

If you require a visa, **it is your responsibility to ensure that you apply for the correct type of visa** to allow you to study at Anglo-Continental for the entire period of your course(s). You must ensure that all details on your confirmation documents issued by Anglo-Continental are correct before you apply for your visa. Anglo-Continental cannot be held liable for any errors that occur during the visa application process. It is also your responsibility to continue to maintain the correct immigration status to study at Anglo-Continental for the duration of your course(s). Failure to do so may lead to termination of your studies without refund or compensation.

School regulations

Anglo-Continental publishes regulations to ensure that the courses operate smoothly. Acceptance of and compliance with these regulations, and with English law, are contractual obligations on the part of the student or the parent, guardian or other person arranging the student's enrolment with Anglo-Continental where the student is under 18. The school regulations are available online: www.anglo-continental.com/schoolregs.html

14 day cooling off period

The student may cancel an enrolment submitted online within 14 days from the date of submission. We will fully refund the payment of course fees less any bank charges provided that written notice of cancellation is received by Anglo-Continental within 14 days of making the enrolment.

Cancellation, postponement or withdrawal from a course

A course is not transferable but may be cancelled and your payment of course fees will be refunded (except bank charges and non-refundable deposit), provided that written notice of cancellation, postponement or withdrawal is received by Anglo-Continental not less than four weeks before the scheduled date of

course commencement. In the absence of such notice, or if less than four weeks' notice is received no refund of fees can be made.

No refunds can be given in the event of withdrawal from the course after its commencement, or for late arrival, early departure, or failure to make use of any of the facilities or activities of the course. In the absence of such notice, or if less than four weeks' notice is received:

- in the case of cancellation, a fee of £ 500 is payable in lieu of notice;
- in the case of postponement, Anglo-Continental reserves the right to levy a charge to cover administration and accommodation costs incurred on the student's behalf;
- should the application for a visa be refused, we will refund any published fees paid in advance (after deduction of an administration charge of £ 100) provided that you send us a copy of the letter of refusal before the intended start date of the course.

Any additional charges for services provided by a third party (such as hotel accommodation, flat rental and courier services) are not refundable.

Curtailed of a course

(Excluding courses with reduced fees)

If a course of more than eight weeks' duration is curtailed by the student, four weeks' notice must be given to the school. If no notice or insufficient notice is given, course fees must be paid in lieu of notice together with any accommodation charges due. In all cases, course fees must be paid for a minimum of eight weeks.

If a course of eight weeks' duration or less is curtailed, no refund of course fees can be given. Students must have personal insurance against inability to attend or continue a course for medical or compassionate reasons (see 'liability and insurance').

Change of course

(Excluding courses with reduced fees)

If, after commencement of a course, the student wishes to change to a course of a lower specification, two weeks' notice must be given to the school. If approved, the change must be made on a scheduled entry date for the new course.

Any refund due will be in the form of a credit towards any required extension of the amended course or towards any subsequent course with Anglo-Continental during the twelve months following the end of the amended course. The credit is not transferable to any other person and no cash refund can be given.

Incorrect declaration

Anglo-Continental reserves the right to withdraw a student from the course if an incorrect declaration has been made or if information regarding a student's ability to participate in the course has not fully, or partially, been disclosed to us before course commencement. In this case, no refund can be made.

English language level

Any information about your level received prior to your arrival will act as a guide only. Your English language level will be determined by our entry test on your first day. If you are not at the required level for your course, you will be transferred to a suitable alternative course.

Accommodation

The fee for the first week in homestay accommodation includes a non-refundable administration charge to cover the cost of selection, reservation and administration.

Any request to change or leave accommodation, either separately or in conjunction with the curtailment of a course, must be made to Anglo-Continental at least two weeks before the date of the proposed

An administrative charge of £80 will be made for each request to change homestay family accommodation. Accommodation fees continue to be payable for any periods of absence during the course.

If a student fails to arrive within one day of the start date of his/her accommodation we reserve the right to cancel the students' booking. Please note that we may not be able to make a new accommodation placement.

Photography, film, sound recordings and written work

During our courses we sometimes take photographs, film footage and sound recordings, some of which may be incorporated into items such as, but not limited to, future publicity material, social media sites, tests and educational materials. We may also wish to use examples of your written work. If you do not wish to participate in any of these items, please advise Anglo-Continental in writing before the start of the course.

Liability and insurance

Anglo-Continental will not be liable for any loss, damage, illness or injury to persons or property, however caused, except where such liability is imposed by statute. Anglo-Continental will also not be held responsible for any delay in scheduled services of third party companies or if any service cannot be provided as specified. Any complaints, liabilities, losses or damages arising should be submitted to the third party company concerned. It is the student's responsibility to take out personal insurance against all such risks, including inability to attend or continue a course and for the payment of medical expenses.

Data protection

To ensure that your course at Anglo-Continental meets your requirements we and, if appropriate, the Anglo-Continental Agent in your own country will need to use the information you provide (such as your personal data and details of any special requirements) in order to process your enrolment.

We must pass your information on to those involved in providing you with services relating to your stay at Anglo-Continental such as, but not limited to, your reservation of accommodation and transfer services. The information may also be provided, if required, to security or credit-checking organisations, customs and the Home Office as required by UK law.

Change of course

An enrolment for a long-term course may not be changed after course commencement except where the student wishes to prolong or include a course of a higher specification with the approval of the school.

School holidays

Students following long-term courses may apply to take holidays, in complete weeks from Monday to Friday, at times convenient to the programme and with the approval of the Academic Head. Holidays are allowed on the basis of a maximum of two weeks per twelve weeks of the programme and application must be made to the school not less than two weeks in advance. In each case the total course duration will be extended to compensate for the number of weeks' holiday taken. Holidays may not be taken when following intensive Examination Practice or Business and Specialised options.

Anglo-Continental has a legal duty of care for students under 18 years of age. A holiday or break in stay can only be authorised once written permission has been received from the student's parent/guardian.
