Welcome to Anglo-Continental

Anglo-Continental is one of the world’s leading English language teaching organisations with an enviable reputation built over seventy years. We are accredited by The British Council which means our programmes are strictly regulated and our standards are guaranteed. Although one of the largest schools in the UK, we are still a family run organisation and pride ourselves on our friendly personal service and efficient administration.

Anglo-Continental has been providing specialised English language training to aviation organisations worldwide since 1971. Since the introduction of the ICAO language proficiency requirements, we have also developed a range of courses specifically designed to assist aviation organisations and individuals in achieving the mandatory ICAO Level 4 (Operational).

Our Trainers

We are an approved Cambridge Teacher Training and TKT Examination Centre. All our long-term trainers have the DELTA or an equivalent diploma. In addition, trainers have specialised knowledge and experience in aviation operations.

Location: Bournemouth, South Coast of England

Anglo-Continental is located in Bournemouth, a lively university town. Bournemouth is a prestigious business centre and several multi-national companies have their regional or United Kingdom headquarters in the town. London Heathrow Airport and London Gatwick Airport are only 2 - 2½ hours away with frequent National Express Coach and train services to Bournemouth. As a cosmopolitan town with no strong regional accent, Bournemouth is the ideal location to learn English in England.

Bournemouth has a mild climate and 12 kilometres of sandy beaches (awarded the prestigious Blue Flag for cleanliness), and it is well known for its beautiful parks, gardens and extensive leisure facilities.

“I have over 25 years experience in the language school industry, and for a number of years I have been specialising in the Aviation and Professional Training Programmes at Anglo-Continental.”
The International Civil Aviation Organisation (ICAO) grades English Language performance on a scale of 1 to 6:

- Level 1 Pre-Elementary
- Level 2 Elementary
- Level 3 Pre-Operational
- Level 4 Operational
- Level 5 Extended
- Level 6 Expert

In order to conform with ICAO language proficiency requirements, Pilots, Air Traffic Controllers and all others who use English in R/T communication on international routes must be at ICAO English Language Level 4 (Operational) or above. This must be confirmed by successful completion of a licensing authority approved test.

Those who are assessed at ICAO Level 4 or 5 must be re-tested at regular intervals. Those who fail may not be licensed to operate on international routes.

ICAO Language Proficiency Requirements

Appendix A (Annex 1) of ICAO Doc 9835, which sets out the language proficiency requirements, states that pilots, air traffic controllers and aeronautical station operators shall demonstrate the ability to speak and understand the language used for radiotelephony communications to the level specified in the Appendix. The six descriptors are:

- Pronunciation
- Structure
- Vocabulary
- Fluency
- Comprehension
- Interaction

The final score for each test-taker is not the average or aggregate of the ratings in each of the six ICAO language proficiency skills but the lowest of these six ratings.
Anglo-Continental’s Test of English for Aviation Personnel is widely used to assess the language competence of pilots and air traffic controllers in accordance with the ICAO Language Proficiency Rating Scale. Candidates awarded an ICAO assessment of level 4 or above can apply for their licence to be endorsed by the relevant authority.

The TEAP, in line with ICAO’s directives, includes a listening and an oral component. It is designed to generate a sample of the candidate’s language skills which enables us to rate the candidate’s competence in all areas covered by the ICAO descriptors. It is conducted as an interview, and is divided into four parts:

**Part 1**
This consists of an interview including an introduction to the candidate’s job and the context in which he/she works.

**Part 2**
After listening to a short recording of a non-standard incident, the candidate is required to give a detailed summary. They are then asked to talk about this type of incident in general terms.

**Part 3**
In this part, candidates are asked to listen to a maximum of three recordings, two based on radiotelephony and one in an informal style. Prior to each recording, the candidate is asked to listen for specific details. There is no visual contact between the interlocutor and the candidate during this section of the test.

**Part 4**
After listening to a long informal report of an incident in aviation, the candidate is required to give a detailed summary. A discussion regarding the more general issues raised by the report follows.

The test has a duration of approximately 30 minutes.

All TEAP interviews are recorded for security and moderating purposes and each candidate is assessed by at least two raters from our team of ten. A report is issued by our aviation specialists providing the candidate’s ICAO level profile and the grade attained for each descriptor. A certificate is awarded to candidates who achieve level 4 or above.

Anglo-Continental’s English for Pilots and Air Traffic Controllers Course is designed to help aviation professionals who need to meet the ICAO language proficiency requirements. The course provides an ideal combination of general and specialised English tuition. This ensures that the trainees have the opportunity to improve their general English language skills, which is essential to support the development of the specialised aviation English required for ICAO language proficiency requirements.

**General English**
The general English tuition adopts an integrated skills approach. The course concentrates on structure and usage, oral communication, vocabulary development and listening and reading comprehension. This provides the trainee with an opportunity to communicate and interact with other learners in a multi-lingual environment, as well as develop their language skills in preparation for the specialised component. Options of either 20 or 25 lessons per week are available.

**Specialised Aviation English**
The specialised aviation English component focuses on developing the trainee’s communicative competence, with particular reference to the six ICAO language proficiency descriptors - pronunciation, structure, fluency, vocabulary, comprehension and interaction. Course participants will develop their listening skills with authentic recordings and practise using the functional language and vocabulary required in both standard and non-standard aviation situations.

The course is aimed at ICAO levels 4 and 5, and is focussed on improving the communication skills needed to achieve operational level and above.

**Programme features**
- Oral assessment prior to enrolment
- Experienced aviation English trainers and aviation English specialists
- Special courses for groups can be offered in the UK or in-country

This course is intended for teachers of aviation English and aviation professionals who are required to assess and rate the English language capabilities of pilots, air traffic controllers and other aviation professionals, according to the Language Proficiency Requirements of the International Civil Aviation Organisation (ICAO), as set out in ICAO Document 9835. The participants’ level of English language should be advanced.

As an approved UK CAA language Assessment Body (LAB), we use our considerable experience in test development and language assessment to guide trainees through the course. The training concentrates on interpreting the language criteria of the ICAO Rating Scale and applying them by listening to and assessing sound files of various non-native speaker aviation professionals. It is suitable for trainees who have little or no experience in ICAO language assessment as well as raters seeking annual refresher training as set out in ICAO Document 9835.

Trainees with no experience of English language teaching should contact us at aviation@anglo-continental.com for advice.

**Pre-Course Tasks**
The Rater pre-course tasks are designed to focus and prepare participants on ICAO Doc. 9835 and some of the key information needed for this intensive course.

**Course content**
30 Lessons in a closed professional group, supplemented by guided private study.

The following areas will normally be covered:

- Evaluating and comparing different test types (e.g. for ab-initio trainees or trained professionals, direct or semi-direct, including computerised tests)
- Identifying the criteria for ICAO levels in: Listening (general comprehension, interpretation and discrimination) Speaking (accuracy, intelligibility and communicative competence)
- Defining and evaluating appropriate levels of competence in communication skills, and the 6 criteria of the ICAO Rating Scale.
- Practical exercises in rating trainees’ performance at various levels of the ICAO Rating Scale, with emphasis on Levels 3 - 5.
- Identifying areas for development in failed candidates’ performance, and guiding them towards improving their language proficiency.
- Blind rating assessments for standardisation purposes and to assess the course participants’ level of competency using the Anglo-Continental Test of English for Aviation Personnel.

In line with ICAO language proficiency requirements for Aviation Personnel to achieve level 4 or above, Anglo-Continental provides courses to assist those concerned in the attainment of this essential qualification.

Our Teaching Methodology Course for Aviation English Teachers provides vital training for English language teachers with the latest methodology for teaching Aviation English in the context of ICAO standards, along with personal aviation language development which results from working with experienced aviation English trainers.

The objective of the training is to develop the course participants’ knowledge of Aviation English and English Language teaching skills within an aviation context, including a practical review of current methodology and classroom practice. Although an aviation background is an advantage, the course is designed to enable English language teachers who have little or no prior knowledge of aviation to teach Aviation English to Aviation Personnel. As all lessons have an aviation context, every part of the course contributes towards expanding the trainees’ Aviation English knowledge.

Pre-Course Tasks

A course is not transferable but may be cancelled or postponed and full course fees will be refunded (except for bank charges), provided that written notice is received by Anglo-Continental not less than four weeks before the scheduled date of course commencement. In the absence of such notice, or if less than four weeks’ notice is received:
- in the case of cancellation, a fee of £ 500 is payable in lieu of notice;
- in the case of postponement, Anglo-Continental reserves the right to levy a charge to cover administration and accommodation costs incurred on the student’s behalf;
- should the application for a visa be refused, we will refund any published fees paid in advance (after deduction of an administration charge of £ 100) provided that you send us a copy of the letter of refusal before the intended start date of the course.

Any additional charges for services provided by a third party (such as Home Office CAS charges, hotel accommodation, flat rental and courier services) are not refundable.

Curtailment of a course
(Excluding courses with reduced fees)
If a course of more than eight weeks’ duration is curtailed by the student, four weeks’ notice must be given to the school. If no notice or insufficient notice is given, course fees must be paid in lieu of notice together with any accommodation charges due. In all cases, course fees must be paid for a minimum of eight weeks.

If a course of eight weeks’ duration or less is curtailed, no refund of course fees can be given. Students must take out personal insurance against inability to attend or continue a course for medical or compassionate reasons.

Anglo-Continental will not be liable for any loss, damage, illness or injury to persons or property, however caused, except where such liability is imposed by statute. Anglo-Continental will also not be held responsible for any delay in scheduled services of third party companies or if any service cannot be provided as specified. Any complaints, liabilities, losses or damages arising should be submitted to the third party company concerned. It is the student’s responsibility to take out personal insurance against all such risks, including inability to attend or continue a course and for the payment of medical expenses.

19 December 2020 to 3 January 2021 for 2 weeks.
18 December 2021 to 4 January 2022 for 2 weeks.
Anglo-Continental is also closed on official national holidays declared by the British Government. Those scheduled for 2021 are: 1 January, 2 April, 5 April, 3 May, 31 May and 30 August.

If your entry date coincides with an official holiday, your accommodation will still be reserved for you from the Sunday before your course commences, and we would advise you to plan to arrive on that day. Your course will begin with the entry test on the next working day following the holiday.

No compensation, fee reductions, refunds, credit, additional lessons or extension of the course can be given for days when the school is closed because of official holidays.

Student travel insurance
For your protection and peace of mind you should have comprehensive travel insurance, which should include any possible cancellation or curtailment charges. Such insurance may be obtained through Anglo-Continental or your own travel adviser.

Anglo-Continental is partnered with Endsleigh to offer a bespoke insurance policy that is specifically designed for you while partaking on our courses. We are working together to ensure you have adequate Insurance for your course while in the UK and to provide complete peace of mind. If you are in the process of applying for a course or have already secured your place you may want to consider what level of insurance protection you have in place in case the worst were to happen. Taking out your travel insurance at the time of booking your course is a really good idea as cover for pre-departure cancellation starts from the policy issue date. This means you’ll have cover to recoup your costs if you have to cancel your course for an insured reason such as illness or serious accident preventing you from travelling. How much does it cost? £ 8 per week.

For further information visit: www.anglo-continental.com/enrolment.
Accommodation during school holidays
If you are attending a course which continues after the school holiday, 18 December 2021 to 2 January 2022, homestay accommodation will be upgraded to full board during the holiday, at a supplement of £63 per week. This will be automatically reserved and invoiced. If you do not require this accommodation, you must inform us at least 4 weeks before the holiday period and we will arrange a full refund.

UK visa requirements
If you are unsure whether you will need a visa to study in the UK, visit the Home Office website at: www.gov.uk/visas-immigration
You may also wish to consult your nearest British Embassy or Consulate.
If you require a visa in order to study in the UK, we strongly recommend that you apply for your course as early as possible as the application procedure may take several weeks to complete. Before issuing a visa letter, Anglo-Continental must be in receipt of a deposit of £500 (deductible when you pay your fees) or the full amount of the fees due.

It is your responsibility to ensure that you apply for the correct type of visa to allow you to study at Anglo-Continental for the entire period of your course(s). You must ensure that all details on your confirmation documents issued by Anglo-Continental are correct before you apply for your visa. Anglo-Continental cannot be held liable for any errors that occur during the visa application process. It is also your responsibility to continue to maintain the correct immigration status to study at Anglo-Continental for the duration of your course(s). Failure to do so may lead to termination of your studies without refund or compensation.

We strongly recommend that you send a scanned copy of your visa to us to check prior to your departure to the UK.

Refund guarantee
Should your application for a visa be refused, we will refund any published course fees paid by you (after deduction of an administration charge of £100) provided that you send us a copy of the letter of refusal before the intended start date of your course.

Any additional charges for services provided by a third party (such as CAS charges, hotel accommodation, flat rental and courier services) are not covered by this guarantee.
