Additional information to support this permission form:

.....

In England a person under the age of 18 is legally a child, you are therefore advised that Anglo Continental accepts no responsibility for any travel arrangements made for the purpose of this individual and independent overnight trip, and that you, the child's parent/guardian, accept full responsibility for any eventualities that may occur. By signing this document and by supporting it with a copy of your passport/ID, (and a copy of the passport/ID of the person accompanying your child), and by emailing this form and copy/scan of passports/ID to english@anglo-continental.com you are giving your full permission and take full responsibility for this overnight trip to take place.

Kindly note that a form needs to be filled out and signed by you for every overnight trip that you give permission for your child to take. Your child will not be allowed to go on any independent overnight trip until we receive this signed authorisation in full. Kindly note that Anglo Continental reserves the right to refuse permission for your child to travel if the overnight trip is deemed unsuitable for Safeguarding or Welfare reasons.

I confirm that the above information I have given is true, and I give full permission for my child to go on this independent overnight trip. I confirm that on their return, my child has been reminded that he/she must return to the homestay by his/her age appropriate curfew ie 22:00hrs for under 16's, 23:00hrs for 16 and 17 year olds.
