Anglo-Continental offers teacher training courses designed to develop the knowledge and teaching skills of people who teach English to secondary and adult learners, and also people who are interested in teaching as a career.

Course T-1.20

The core of the language and methodology course consists of 20 lessons per week of language teaching methodology and personal language development. In this course, participants will explore and experience lively and creative teaching strategies and teaching aids, gaining ideas designed to refresh their teaching and to extend their own language proficiency. Contexts for language development work will reflect the interests of the group and will include aspects of British life and culture.
