IELTS DREAM and ACHIEVE

Tell us the IELTS scores you need

After an online test, we will advise you of the number of weeks you will need to achieve your IELTS scores. We will confirm the duration after your Entry Test at Anglo-Continental on your first day.

We promise / You promise

We promise to give you an intensive English language programme with IELTS Examination Preparation (X-2.30G)

You promise that you will attend at least 95% of your classes and you promise to complete all assignments and tests. You must take an IELTS exam within 4 weeks of completing your programme.

You keep your promise, then we are confident that you will achieve your IELTS scores in our estimated time.

If you do not receive the IELTS scores you required within 4 weeks of completing your IELTS Examination Preparation Course but have attended at least 95% of your classes and completed all assignments and tests we will extend your course, without charge, until you do achieve your required IELTS scores up to the same duration as your original booking.

Conditions

Once you have achieved your required IELTS scores your course will end. If your course is extended, you must take the IELTS examination every four weeks until you achieve your required IELTS score. Only the course fees are free after the initial programme. All IELTS examination fees along with other costs such as accommodation are to be paid by the student.

Cannot be booked with any promotion or special offer.
